

Grade 1 - Sample Lesson Plan

Home and Community Safety Fair

Objectives/Goals

- To expose students and families to community safety resources.

Materials

- School facilities and invited community safety representatives

Steps

Step 1

- Invite local fire/emt/police, nurses, highway safety office, Safe Kids Coalitions, Red Cross and other community safety professionals to set up a school safety fair that includes various stations of activity (e.g., interactive road safety activities, bicycle skills and helmet clinics, a fire house, water safety demos, and internet safety activities.)
- At each area of activity, have students collect stamps to denote participation.

Assessment Idea

- Are students able to name three community agencies that keep people safe?
- Are students able to call 9-1-1?
- Were students able to obtain stamps for each station?
