

Lead To Follow

Learning Objectives

- I can analyze why people choose to follow or not follow safety rules at school. (5.1k)
- I can examine one's role and the role of others in causing or preventing injuries at school. (5.2k)
- I can promote safety procedures school-wide. (5.3k)

Teacher Notes

- Vocabulary
 - First Aid - Help given to a sick or injured person until full medical treatment is available.
 - Safety - Being protected or decrease the chance of risk or injury
- This activity is designed for the students to be creative and apply cross curricular (art).
- Students will create a safety poster on anything that they learned.

Lesson Steps: Video Outline

[Lead to Follow Video](#)

Step 1 Introduction

- Why do we need to be safe? (Physical activity, internet, school, home, etc.)
- Why should safety be important?
- How can we help others to be safe?

Step 2 Activity

- Safety Poster - Create a poster on ways to be safe. Can be focused on first aid, homes, school, online, & when being active.

Step 3 Closure

- Post in the chat how you can be safe either at home, in school, or the community

Assessments

- Why should safety be important?
- How can we help others to be safe?
- Post-Assessment – Create an Exit Slip with questions for safe practices around our homes, school, online, & when being active.
