

Grade 9 Sample Lesson Plan: Organ Donation

SOLs

- Describe the benefits of organ donation.

Objectives/Goals

- Students will research and write about the benefits of organ donation.

Materials

- Internet access

Procedure

- Review the following three sites to remind students about the benefits of organ donations and the choice available to designate as an organ donor on the Virginia Driver License
- Have the students write a one to two page response to the following questions:
 - What is organ donation?
 - What are the benefits of organ donation?
 - What are the dangers of organ donation?
 - How do hospitals know the organs that are available for transplant?
 - What conditions contribute to favorable organ transplants?

Assessment Idea

- Does summary answer the questions?
- Did the student use credible sources?
- Are the sources cited?
