

## Grade K - Safety/Injury Prevention Sample Lesson Plan 8 Sun Safety

### Objectives/Goals

- The student will describe sun safety practices

### Materials

- PowerPoint: K- All About Me Sun Safety
- Worksheet: Sun Safety

### Steps

#### *Step 1*

- Using the Powerpoint as a guide, begin the lesson on slide 2. The teacher will introduce the topic with a What Should I Do scenario. Allow students to share their responses.

#### *Step 2*

- Slide 3: Allow students to share their experience with getting a sunburn and watch the video clip on sun safety.

#### *Step 3*

- Slide 4: Read Can You Help Me as a class. Allow students to share their responses.

#### *Step 4*

- Slide 5: Review sun safety tips. Allow students to share their experience with sun safety.

#### *Step 5*

- Slide 6: Introduce the review.

#### *Step 6*

- Slide 7: Allow students to look at the picture and decide what could be added to protect him from the sun.

#### *Step 7*

- Slide 8: Review the answers and allow students to view the new picture.

*Step 8*

- Pass out the worksheet: Sun Safety. Review the instructions and allow time to complete the assignment.

*Step 9*

- Slide 9: End class with a classroom energizer.

**Handout**

The next page includes a handout for the lesson. The handout is designed for print use only.

# Sun Safety

**Directions:** Ava and Andrew are outside in the middle of the day. It is extremely hot, and they will get a sunburn unless you save them. Your mission is to add to the picture by drawing images that protect them from the sun.
