Friendship Bingo

Directions: It is important to be a good friend and practice making new friends. You are going to practice being a good friend and making new friends in this bingo game. Your goal is to make a bingo. To make a bingo, you must complete an entire row, column, or diagonal line. Once you complete the task on the bingo board, color the square in. While you can stop playing once you have made a bingo, I challenge you to complete all the tasks on the bingo board.

Say “Hi” to someone	Share with someone	Help someone
Play with someone new	Smile at someone	Give someone a compliment
Tell someone “Great job”	Do something nice for someone	Invite someone to join you
